SPECIAL VOTERS' MEETING

Your attendance is requested for a Voter's meeting on Sunday, February 20th at 9:45 am to review the Call committee's recommendation for head Pastor. This individual was chosen from the Michigan District supplied list of Pastors working in the field, as described in the recent letter that was sent to the congregation. This individual's background and qualifications will be provided at the meeting, with a Q and A period to follow.

A 'yes' or 'no' vote to issue a Call to the candidate will be requested at that time.

ABOUT THE COVER

Jesus told His disciples that they should not be surprised by trials and opposition in this world because it has been this way with all the prophets. The heavenly reward from the Lord far outweighs anything that this world can throw at His people. Even more so, we leap for joy and rejoice because these trials mean we are counted among those who will be with our Lord. He has first prized us so greatly that He gave of Himself with loving, outstretched arms upon the cross.

FREE PIANO

The piano from the parsonage is free to a good home. Just contact Reece Hintze or Chuck Schroeder if you are interested in taking it home.
